PAYMENT PLANS (if applicable)

All students on a payment plan are subject to the terms and conditions of their payment plan.

REFUND DUE DATES

1. If an applicant never attends class or cancels prior to the course start date, all refunds due will be made within 45 days of the course start date or the date of cancellation, whichever is earlier;

2. For an enrolled student, the refund due will be calculated using the last date of attendance (LDA) and be paid within 45 days from the date of determination (DOD).

Date of Determination (DOD): The date: (1) the student gives notice of withdrawal to the institution, (2) the institution administratively withdraws the student; or (3) the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.

CHANGE REQUESTS

TALK reserves the right to charge a Change Fee of US \$100.00 (payable at the time the request is made):

1. Before start date: Each time the course, accommodation or center is changed or postponed after TALK has confirmed the initial enrollment. Additionally, when a change request for a previously confirmed accommodation is received less than 14 days in advance of the scheduled arrival date, an equivalent week's accommodation penalty fee will be charged.

2. After start date: If a student requests a change of school location, course dates, accommodation or program type after course start date, a minimum of 4 weeks' notice is recommended. If changing to a location or program with lower fees, the difference in fees will not be refunded. If changing to a more expensive location or program, the difference in fees will be charged. Students will not be charged a change fee for upgrading or extending their course, provided they do not change their center.

TALK is not obliged to fulfill any change request, except for cancellations and withdrawals.

CANCELLATION POLICY

1. If an applicant is rejected for enrollment by TALK, or if a prospective student has his/her visa application rejected, a full refund of all monies paid, less non-refundable charges and any actual housing costs incurred by TALK, will be made.

2. If TALK cancels a program subsequent to a student's enrollment, TALK will refund all monies paid by the student.

3. Cancellation Prior to the Start of Class or No Show: Except under the circumstance identified in # 4 below, if an applicant accepted by TALK cancels prior to the start of scheduled classes or never attends class (no show), TALK will refund all monies paid, less any actual housing costs incurred by TALK and a maximum total of US \$500 (\$250 for California Schools) identified non-refundable charges including any application/registration fee, courier fees, and travel insurance, if such charges are clearly noted in the enrollment agreement as being non-refundable.

4. Cancellation Prior to the Start of Class or No Show: If an applicant accepted by TALK enters the United States on an I-20 obtained through TALK and subsequently cancels prior to the start of scheduled classes or never attends class (no show), TALK will retain:

- For a program of less than 12 weeks, the tuition charges for four weeks, actual housing costs incurred by TALK, and a maximum total of \$500 (\$250 for California Schools) for non-refundable charges including any application/registration fees, courier fees, and travel insurance.
- For a program of 12 weeks or more, the tuition charges for six weeks, any actual housing costs incurred by TALK and, a maximum total of \$500 (\$250 for California Schools) for non-refundable charges, including any application/registration fee, courier fees, and travel insurance.

WITHDRAWAL OR TERMINATION AFTER START OF CLASS:

TUITION REFUNDS/MODIFICATION TO PAYMENT AGREEMENTS

Students are required to pay in cash for the entire period of enrollment or agree to be financially obligated for the same period of enrollment by entering into a recurring payment agreement (and take advantage of the reduced pricing for longer periods of enrollment). The Period of Financial Obligation is the period for which the student is legally obligated to pay for the enrollment period to which it relates. The Period of Financial Obligation always equals the enrollment period and cannot exceed 12 months. Refunds or modifications to the recurring payment agreement may only be done as follows:

1. Discounted Tuition: Used weeks of discounted tuition (including promotional discounts of any type) and waived and/or discounted fees will be charged back to the student at the published rate when any refund or modification to the recurring payment agreement is calculated.

2. Refund amounts will be based on a student's last date of attendance (LDA). When determining the number of weeks completed by the student, a partial week will be calculated the same as if a whole week were completed, provided the student was present at least one day during that week. Students in California will sign a California State Enrollment & Refund agreement and refunds will be processed accordingly.

3. First Period of Financial Obligation: For students whose last day of attendance occurs at any point in the first four weeks of their initial period of financial obligation, TALK will retain the charges applicable to the first four weeks but before or at the mid-point (60% for California Schools) of their period of financial obligation, TALK will retain a prorated amount of tuition. For students whose last date of attendance occurs after the midpoint (60% for California Schools), TALK will retain all of the charges for that period.

4. Subsequent Periods of Financial Obligation or Enrollment periods: For students who have completed the first period of financial obligation or extended their enrollment at the institution but whose last date of attendance occurs before or at the midpoint (60% for California Schools) of any subsequent period of financial obligation, the institution may retain a prorated amount of tuition for that period. For students whose last date of attendance occurs after the midpoint (60% for California Schools) of any subsequent period of financial obligation, the institution may retain all of the tuition for that period.

WITHDRAWAL OR TERMINATION AFTER START OF ACCOMMODATIONS:

REFUNDS/MODIFICATION TO PAYMENT PLANS

1. Student understands and accepts that TALK acts strictly as an agent for the student and may contract in its own name to facilitate the booking process based upon the students' requirements as indicated in this Application Form. Further, TALK is entitled to the difference between what the provider charges and the price the student pays, as a fee.

2. A student must provide notification of withdrawal in writing to be eligible for a refund or payment plan modification

3. Accommodations pricing is based on starting accommodations on the Sunday prior to the course start date and ending accommodations on the Saturday after course completion. Additional charges will apply where accommodations are required before the first Sunday or after the last Saturday.

4. Students must give 4 weeks' notice in writing to the School Director. For terminations made before 50% (60% for California Schools) of the course has been completed, Student is required to pay for the period of accommodations plus the applicable notice period. For terminations made after 50% (60% for California Schools) of the course has been completed, Student is required to pay for the entire period of accommodations.

If applicable, students are bound by the terms and conditions as defined in any student housing agreements.

It is Student's responsibility to fully evaluate the policy and if the Student requests TALK's assistance, Student agrees to hold TALK harmless regarding any and all legal actions related to the Insurance Policy.
