

## THE COURSE

General English PT consists of 16 lessons per week in listening, speaking, reading and writing at the appropriate level and is designed on proven pedagogical principles. This course provides students with pronunciation and grammar support, vocabulary improvement and a path to English proficiency.

General English PT is ideal for students of all levels who wish to improve their understanding of the English language while visiting the local area and immersing themselves in American culture with new friends from around the world.

**Upon completion of your course,  
 you will receive a Certificate of Completion.**
