

LEARN ENGLISH AND GAIN PROFESSIONAL EXPERIENCE AT A COMPANY IN THE USA

OVERVIEW:

TALK provides you the opportunity to gain international business and career experience together with learning English, with our Professional Development Activity Package.

With this program you will gain cultural awareness and confidence in speaking English in a professional environment, in addition to developing your professional skills.

In this highly competitive global economy, English fluency and having international business experience on your resume will propel your career forward, ahead of others.

BENEFITS:

- Improve your English language skills as you interact and network with Americans in a professional setting
- Gain valuable workplace experience and learn the do's and don'ts of American business culture
- Create an American-style resume (CV) and cover letter
- Learn new skills and make international contacts
- Receive a letter of recommendation upon completion of your placement
- Potential for increased career opportunities when returning to your home country

REQUIREMENTS:

- F-1 visa and minimum age of 18 years old
- Minimum English level 7
- Minimum enrollment of 12 weeks
- Flexibility in host company choice
- Demonstrate maturity and independence
