THE RIGHT PATH FOR ENGLISH LEARNING

Our City Language Centers bring together students from all corners of the world, providing them with the opportunity to learn English and experience American culture in a nurturing and supportive environment. It is no surprise that TALK students finish our programs with excellent fluency and confidence!

What makes TALK City Centers perfect for learning English?

- **Academic excellence.** TALK relentlessly pursues academic excellence utilizing the most modern teaching methodologies based upon the communicative and full-immersion methods of language acquisition. Your English proficiency will improve quickly in the supportive environment of TALK schools.

- **Superb locations.** TALK schools are located in the heart of the city near cafes, restaurants, shops and public transportation. You will enjoy the safety and convenience of our exceptional locations.

- **Low tuition rates.** Tuition rates are reasonable to provide you with unbeatable value-for-money. You will save thousands of dollars in a year compared to studying at other schools.

- **Comprehensive course offering.** Courses offered include General, Academic and Specialized programs. Your course can be customized to meet your personal academic needs.

- **University placement services.** These services are provided to ensure you will maximize your academic potential in the USA after you attain English proficiency.

- **Accredited.** TALK is accredited by ACCET (Accrediting Council for Continuing Education and Training) confirming that all our schools meet or exceed rigorous academic and quality standards.
**Group English Programs**

Our dynamic and supportive teachers will introduce relevant and interesting subject matter to keep your attention. By teaching you at your level, we will ensure you are challenged but not overwhelmed in class. Courses are designed to provide you with the ideal amount of class and home study to ensure optimal progress.

TALK’s English programs are built around a core curriculum providing classes with both structure and flexibility. Classes are offered at 10 levels of proficiency, from beginner to fluency with appropriate text materials provided for each level. All class levels are based on an integrated approach to language acquisition by focusing on the development of speaking, listening, reading and writing skills.

**Our English** programs focus on the development of general language proficiency and an understanding of American life and culture. Levels 1 to 6 will prepare you for social interaction and day-to-day activities.

**Levels 7-10** tend to be more rigorous, academically more challenging, and will prepare you for success at American colleges and universities. Courses include academic writing skills and presentation skills.

**Specialized English** programs allow you to personalize your course to meet your own needs. Specialized courses include exam preparation. Also, you can add private classes to supplement your studies.

**One-to-One Program/Private Instruction**

The TALK One-to-One Program is exclusively designed to match your precise individual needs based on your input and a personal evaluation by your “one-to-one instructor.” Your personal teacher will be at your side every day, providing undivided attention and support to assess and ensure your advancement.

"I am happy that I chose TALK to study English. I like everything. This school is a big family. All teachers are very friendly, professional and helpful. Classes are very interesting and fascinating. In school I met new friends from different countries. I enjoy studying here, it gives me a lot…"

The greatest thing here that I love is first of all Angie, the director of our school, Carola, who makes us feel at home, and also the teachers are like our friends. Every single morning, when I wake up I want to be here, because I will learn English, and I will be with my family; even though, they are my teachers.

Miami, the “Magic City” is where wealth, beauty and passion come together, tropical style. From the sparkling blue waters of the Atlantic Ocean, the pristine white sands of South Beach, the cafes and clubs on Lincoln Road, the chic boutiques of Coconut Grove to the gleaming glass sky-scraper of the Brickell financial district, Miami is a world-class city that has it all.

Since its humble beginnings where development was no more than a few Tequesta Indian tents and a Spanish mission in 1567, Miami has become an economic and financial powerhouse of the 21st century. Today it is a leader in commerce, culture, media, entertainment, the arts, international trade and real estate development.

Miami Metro Area

Aventura, the “City of Excellence”, is an affluent international city north of the Miami metropolitan area. It is located just minutes from the beautiful beaches of Hallandale, Golden Beach and Sunny Isles. This exciting and culturally diverse community is filled with cafes, restaurants, boutiques and shops. Here you will find the famous Aventura Mall and the exclusive Bal Harbour Shopping Center with their chic stores and designer merchandise that attract discerning shoppers from around the world.

The TALK Aventura Language Center opened in 2007 in the Concorde Plaza. The center is surrounded by restaurants, cafes and boutiques. Our school is spacious and well-designed with 10 large and bright classrooms, modern furniture, free Wi-Fi, and an outside café area where you can enjoy a coffee and the energetic and professional environment. The center has abundant free parking and it is easily accessible by public transportation.
